**Subject: 2008 Reunion**

**Dear Intruders and Friends**

**The 281<sup>st</sup> AHC Association will celebrate its 2008 reunion during July 30-August 3, 2008, at the Crowne Plaza Airport Hotel, St. Louis, MO. This will be our 12<sup>th</sup> reunion and our 4<sup>th</sup> "stand alone" since your Association was re-formed. These are great events and if you attend one, we assure you that you will come back. We are all proud members of a unique organization. We welcome each and every member of the 281<sup>st</sup>, associated support units and Honorary members without regard to rank or duty position.**

**The Crowne Plaza Airport Hotel presented us with a package too good to refuse. The individual room rate for singles or doubles is \$59.00 per night. Shuttle service to and from the airport, local casinos, local malls and eateries is provided by the hotel. The Metro Link to areas of interest in St. Louis to include the riverfront area is available.**

**We are proud to be members of the 281<sup>st</sup> Association and must say that we have enjoyed seeing old comrades and making new friends at our annual reunions. Please set aside any preconceived thoughts toward military reunions and give this one a shot. You will never regret it and the price is right. This is a family affair, so bring the wife, kids and grandchildren.**

**The registration form can be used for both reunion registration and/or paying your 2009 dues. Enclosed is a tentative schedule of events. You can plan on early registration on Wednesday, an open bar and refreshments in the hospitality suite for the duration of the reunion. The usual golf tournament arrangements, a Hong Kong R&R party on Friday night and a banquet, cocktail party and a guest speaker on Saturday night.**

**If you're not a member and have access to a computer, please visit the 281<sup>st</sup> AHC Association Web Site: [www.281st.com](http://www.281st.com) and watch for reunion updates.**

**Please contact your friends and invite them to join us in celebrating our 43<sup>rd</sup> Anniversary.**
