Christmas 2007

To the Veterans of the 281st....

Merry Christmas

Happy New Year

WISHING ALL THE 281ST AND FAMILIES CONTINUED GOOD HEALTH AND HAPPINESS

The Prez speaks.....

I have traveled a lot since our reunion and the last newsletter. I met in Wisconsin on September 11th with our new Treasurer Fred Beck. Fred had American Flags flying and we took pictures with the 281st Guideon. Prior to down loading the pictures my camera was stolen. Our Association was well represented at the SOAR. Included is a photo of four of the six Intruders in attendance. Don "Zorro" Jutz was their official photographer. Included is a photo of Zorro with two of his able bodied assistants. SOA Officers recognized Brian Paine for his efforts in organizing their accounting, enabling them to give an accurate financial report to their membership. One of our members worked the registration tables. I felt the 281st members were received well by the SOA members and officers.

On the way back from the SOAR Doris and I had the opportunity to meet for dinner with member Jay Hendrix and his wife Christy in Phoenix, AZ. While attending a conference in Mississippi I spent a couple evenings with Sr. member @ Lg. Fred Lewis who was temporarily working there. My return trip included a stop near Birmingham, AL. to pick up some excellent Alabama honey from our VP Frank Little, who with Margaret took me to a great BBQ Restaurant for lunch. Coming back through Kingsport, TN, I tried to meet with Association member Tony Ruiz but the schedule didn't work out.

Association members participated in the reading of names at the Wall in Washington DC during the Veterans Day festivities. Members also assisted with placing Christmas Wreaths December 15th and visiting resting places of our fallen Brethren at Arlington National Cemetery.

Thanks to Tim Schaffer and Jack Mayhew the Scholarship Fund has been put in place receiving Tax Deductible Donations and some applicants. Many Thanks to our Officers, Commo committee, and others for contributing to this newsletter and especially our Editor Fred Mentzer for the hours of labor he spends putting the newsletters together and publishing it. Looking forward to seeing everyone in St. Louis.

Merry Christmas to all and wishing you a safe and prospers New Year!

Intruder Family. I would like to comment on the reunion. First of all Joan and I have fun at reunions. If we didn't we wouldn't come. I know that some folks would like to move the reunion to different places and go on lots of tours. I feel that we need to keep the costs down so that we can get more folks there. The Crowne Plaza fits that bill. Joan and I come to reunions (no matter where they are), to have fun, renew friendships, make new friends and just be with people with people we love and enjoy. The Intruder Family is very important to us. Joan and I would like to wish every one a Very Merry Christmas and a prosperous New Year. May our Heavenly Father bless you all with good health so that you can continue to lead a good life.

Our New Treasurer

This is my first writing as treasurer. I am excited to be more actively involved with the Association, both socially and in the position of treasurer.

For those of you who don't know me, I was a WO Ratpack pilot from July 1967 through June 1968. I picked up the name Fred during that time and it stuck with me until I left the Army in 1970. Since then I went back to my given name of Jerome or most commonly, Jerry or some other unmentionable names. So it was quite strange and good to be called Fred for a few days at my first reunion in August.

I am no stranger to this type of position, graduating with a degree in accounting. I worked for many years auditing large corporations for the IRS and acted in the capacity of treasurer for other organizations.

The transition from former treasurer Butch Jones went relatively smooth except for some

computer and software problems. The associations accounting software (Quickbooks) is pre-Vista and I had some difficulty installing it on my computer. However it is now working well. I understand that it is a common problem and some Quickbook owners can't get it installed on Vista computers. Quickbooks, of course, wants everyone to buy the Vista addition.

Gary and I have worked out the logistics for depositing membership dues and it is working well. I would like to do next years reunion fees in a similar fashion. We also now have online banking with Wells Fargo. All checks will be issued by the bank and statements are paperless.

Butch reported the approximate financial results in the last newsletter. I have included a complete profit and loss statement in this newsletter (*see *Editors comments*). If you have any questions don't hesitate to contact me.

As can be seen in the statement we incurred a loss this year. One of the larger expenditure was for the ballroom rental on on Friday and Saturday nights. The charge of \$1,452 was incurred because we failed to meet a contract provision of \$1,800 cash bar spending. We were significantly below that amount. We will be discussing the provision with the hotel for next year. We must be getting old and/ or becoming proverbial tee-totalers. Not like the old days.

Santa's Prayer

The sleigh was all packed, the reindeer were fed,
but Santa still knelt by the side of the bed.

"Dear Father", he prayed "Be with me tonight.

There's much work to do and my schedule is tight.

I must jump in my sleigh and streak through the sky,

knowing full well a reindeer can't fly.

I will visit each home before the first light,

I'll cover the world and all in one night.

With sleigh bells a-ringing, I'll land on each roof,
amid the soft clatter of each little hoof.

To get in the house is the difficult part,

so I'll slide down the chimney of each child's heart.

My sack will hold toys to grant all their wishes.
The supply will be endless like the loaves and the fishes.

I'll fill all the stockings and not leave a track.

I'll eat every cookie that's left for my snack.

I can do all these things Lord, only through YOU,
I just need your blessing, and then it's easy to do.

All this is to honor the birth of the ONE,
that was sent to redeem us, Your Most Holy Son.
So to all my friends, lest your glory I rob,
Please Lord... remind them who gave me this job.

In Jesus Name I Pray, Amen."

Marge & I wish all 281st AHC Association Members and their Families a Merry Christmas & a Blessed New Year.

Here a while back I received information on some of that guys that we listed as not found are now have listed as DAT. I do have a

positive side of all this is that in talking to guys, I am getting some directions to head in when they mention names in our conversations...

Did find a name listed on the roster (I received a email asking about him) and come to find out, he was never in the 281st or RVN, or any US Army flight School!! He has been removed from our roster and the VHPA directory also. Thanks to the people that furnished the proper information on this guy.

I still am begging for more information that is contained in old orders, roster, etc. I have received some information on guys in the 1969 timeframe... But, I will take any information that I can get to keep the searches going on.

I want to thank everyone that has been sending me their new information to update the master roster, this saves postage and you get your newsletters faster. PLEASE keep your information on the master roster up to date.

Thank you for your continuing support, to the 281st AHC Association!! And making a old man's life

better!!! This allows me the extra time to try to help others thru information to pursue their claims with the VA system.

Dues are continuing to come in, and between Fred Beck and me we have a process for the deposits that keeps both of us informed. It's working great!!

Charles Cabe (66-67) joined as new Annual Member 346A and Virgle "Buddy" Samples (66-67) joined as a new Life Member 347L. John Hyatt said he couldn't remember his dues so he changed to Life also!! Ken Smith and Ted Nilssen also changed to Life Members. Earl Broussard and Charles Jordan have also made their initial payments towards life membership.

P.S.: I wish to pass on to everyone have a SAFE and HAPPY holiday season with family and friends.

The scholarship fund was started with a generous annual grants from two companies and we have already received commitments from four other individuals who want to contribute funds for scholarships in the names of former Intruders. This is a great way for individuals or groups of the Intruder family to establish a lasting memorial to a friend or a family member who served in the unit.

The scholarship board will hold its organizational meeting on 19 Jan 08 in California and shortly thereafter we will create a section for the program on the web site where we will publish all the appropriate documents, instructions for applying for scholarship assistance and information on making contributions. A heartwarming story off the 281st Chat Net from David Dosker about his son Justin, home from Afghanistan in September.....

He was home in September. Had a wonderful time. When we went to the airport the following took place. It was late morning, and there were about 250 troops waiting. Naturally he was a bit hung over so I was surprised when he volunteered when a Sgt asked for troops for a detail.

When the two officers, 3 E4's and E5's (one was Justin) and 11 or 12 E1's thru E3's gathered they were told them the following:

"Go down the stairs, get on the bus there. You will be taken to the Sheraton Hotel north of the airport. Meals will be provided. Be back here in 24 hours. This evening after dinner the bus will take you to Ranger Stadium for the baseball game. "

When they were gone I approached and thanked the Sgt. and the USO coordinator. I asked about volunteering to meet and greet the troops. When she found I was and that my son was among the Detail she gave me a game ticket !

I made it to the stadium before they did and got some beer and peanuts. (Great seats, rows 26 & 27 behind first base) When Justin filed in I gave him a beer and asked what took them so long? Justin had surprised me on his arrival two weeks before when he called from the airport

At least 4 people bought them a round of drinks. During the 5th inning someone came and led them to better seats in rows 1 & 2 behind first. They were in uniform and the entire section gave them a standing ovation as they filed in. A friend Tivoed the game so he will be able to have the memory.

During the 6th Justin caught a foul. He looked at it, then at the little kid staring adoringly. He gave him the ball! Later as the Rangers were coming off the field at the end of the inning they tossed about 6 balls to the troops. He caught another one, then he gave it away to the kids' buddy..

When I asked him why he didn't keep one he said "Don't you recall the time Nolan Ryan was about to sign my ball but was called away by someone who signed it instead. Those kids will remember this game and the soldier everytime they look at that ball !! "

I will always cherish the time we shared on his way back to Afghanistan, and the generosity of nameless benefactors for these fine men and women soldiers! I am so proud of the Man who is my son!! On this Thanksgiving Day I thank the Lord that their experience was not like ours during Vietnam.

He was promoted to E5 upon rejoining his unit. Thank you all for your Service.

Bobbie Stanfils passing generated many tributes and stories on the 281st Chat Net, from Jeff Murray, Gary Stagman, Bob Mitchell, John Korsbeck, Will Clark, David Dosker, Lee Brewer, John Galkiewicz and others. I chose Dean Roesner's tribute as representative.....

He was one of the good guys, always treated the crews with respect and as equals, possibly because he had been enlisted and came from the SF community. I remember him as an "old guy" that had been around and seen a lot by the time he got in the 281st. According to his age now, he would have been 33 then and to a 21 year old that was ancient. He was the PP and I the CE when we crashed and totaled 342. He will be missed. - Dean

John Gilbreath reports good news..... John and his wife Elke underwent a horrendous experience earlier this year when they returned home to a burglary in progress leading to a confrontation resulting in grievous gunshot injuries to Elke. Following is a November update from John off the 281st HQ Net.

Please let everyone know that Elke is doing well. We just returned from Vanderbilt AFB where they dressed the wound to her upper left chest and the drainage cut. She will have bullet fragments remaining but they will not migrate. The wounds are healing well and she feels fine. She plans on being in the shop sometime soon. The real problem is the left forearm and wrist, On the 4th of Dec, we should know how much bone they will have to graft and the amount of tendon they will have to replace. She has good movement in two fingers and the thumb. The other two are limp, those we will work on thru the sports medical dept at Vanderbilt. Overall she is fine and in good spirits, especially after facing the SOB at the hearing before the grand jury. She was a great witness and did not flinch. Afterwards they increased the

bond to 1 million \$. The DA said he may get 40 plus years. We thank you all for your love and support.

Hello all, look at the first 281st Service Platoon Leader showing a young student what it is all about. Kind of reminds me of some of the conversations that he and I had at Ft. Hood when he was a young Lt. and right out of flight school, or better, the conversations that CWO3 Sandage, now retired CWO4, had with both of us. We all need to do more of this. – Jack Mayhew

Whenever you get a target of opportunity always take it. I was invited to a Veterans Day program at a local elementary school on Monday. The PA Guard brought a Blackhawk and the Hagerstown, MD news paper sent a photographer. The result was a front page photograph in Tuesday's paper, clear enough to see the 281st on the hat. - Lou Lerda

From the Editor and Publisher.....

As a member of the 2008 Reunion Committee I'd like to let you know about what we are planning for next year. First of all, from all reports, the 2007 Reunion was a great success, as have been all the previous reunions. It is indeed wonderful to see our veterans meeting and greeting old comrades and friends many of whom had not been seen since our days in Viet Nam. We hope to continue bringing our members together to meet again as well as to continue "tall tales", have a lot of laughs, reminisce, and to just plain have a good time. Committee Chairman Frank Little welcomes any suggestions on improving the reunion. Contact Frank at FWLittle@bellsouth.net.

Next years theme will be "R&R Hong Kong", with appropriate food and drink and maybe some zany and fun entertainment. And we will continue recognizing the participants in the 281st Weight Loss Club. If any of you would like join in the WLC, just email or phone Norm Kaufman; 724-235-2894 or nckmmk@msn.com.

On another matter, Gary Stagman reports that many are having difficulty accessing the 281st Assn Website. In the Internet Explorer, or Firefox, Mozilla, Safari, et al, just type into the URL (address box) <http://281st.com>. Or for you cognizanti 281st.com.

**Reference Fred Beck's report, due to space constraints I exercised "Editors discretion" and did not include the reunion financial report. Anyone who desires to view the report please contact me and or Fred Beck.*

That's it for this newsletter, the last for 2007.

To all, Karen and I extend our best wishes for a Merry Christmas and a happy and healthy New Year.
